

M E N U

We are NAO - a fun and chic Pan-Asian Bistro & Bar.

NAO is a Japanese word which means "Love & Affection" and for our guests it will always mean their Next Asian Outing. We strive to make our guests experience an array of delectable Pan Asian recipes curated by our in-house team of chefs who have worked diligently to achieve the flawless balance of spices and herbs.

Foreign produced meats, spices and in-house blend of sauces accompanied by the delicate smell of ginger, kaffir leaves, ginseng, sesame & galangal are essential to the preparations at NAO. Infuse your palette with a burst of flavours as you soak in your tranquil surroundings. Visit us throughout the week for lunch or dinner and relish a variety of cocktails to compliment your food. We aim to give our customers the best in tastes and flavours across the city and build on our strengths to expand even further.
