Nao Tales

"Nao Tales" taps into the power of nostalgia and the joy of storytelling from our childhood. The name evokes memories of bedtime stories, fairy tales, and magical adventures.

Just as stories have the power to captivate and transport us to different worlds, our signature cocktails aim to create a sense of nostalgia & bring back the cherished memories of storytelling.

Each drink is crafted with care and creativity, designed to evoke a sense of wonder and adventure in every sip, "Nao Tales" represents the fusion of flavours and imagination.

At NAO every cocktail has its own tale to tell, a story that unfolds with every flavour, creating a multi sensory experience for our customers.

Just as stories leave a lasting impact, our signature cocktails aim to leave a memorable impression.

Gin & Tonic glows in the dark.

Quinine absorbs ultraviolet light, and is thus fluorescent under UV bulbs (aka blacklight) - making tonic topped drinks like G&Ts glow with a bluish-purple hue.
